

Investment Agreement

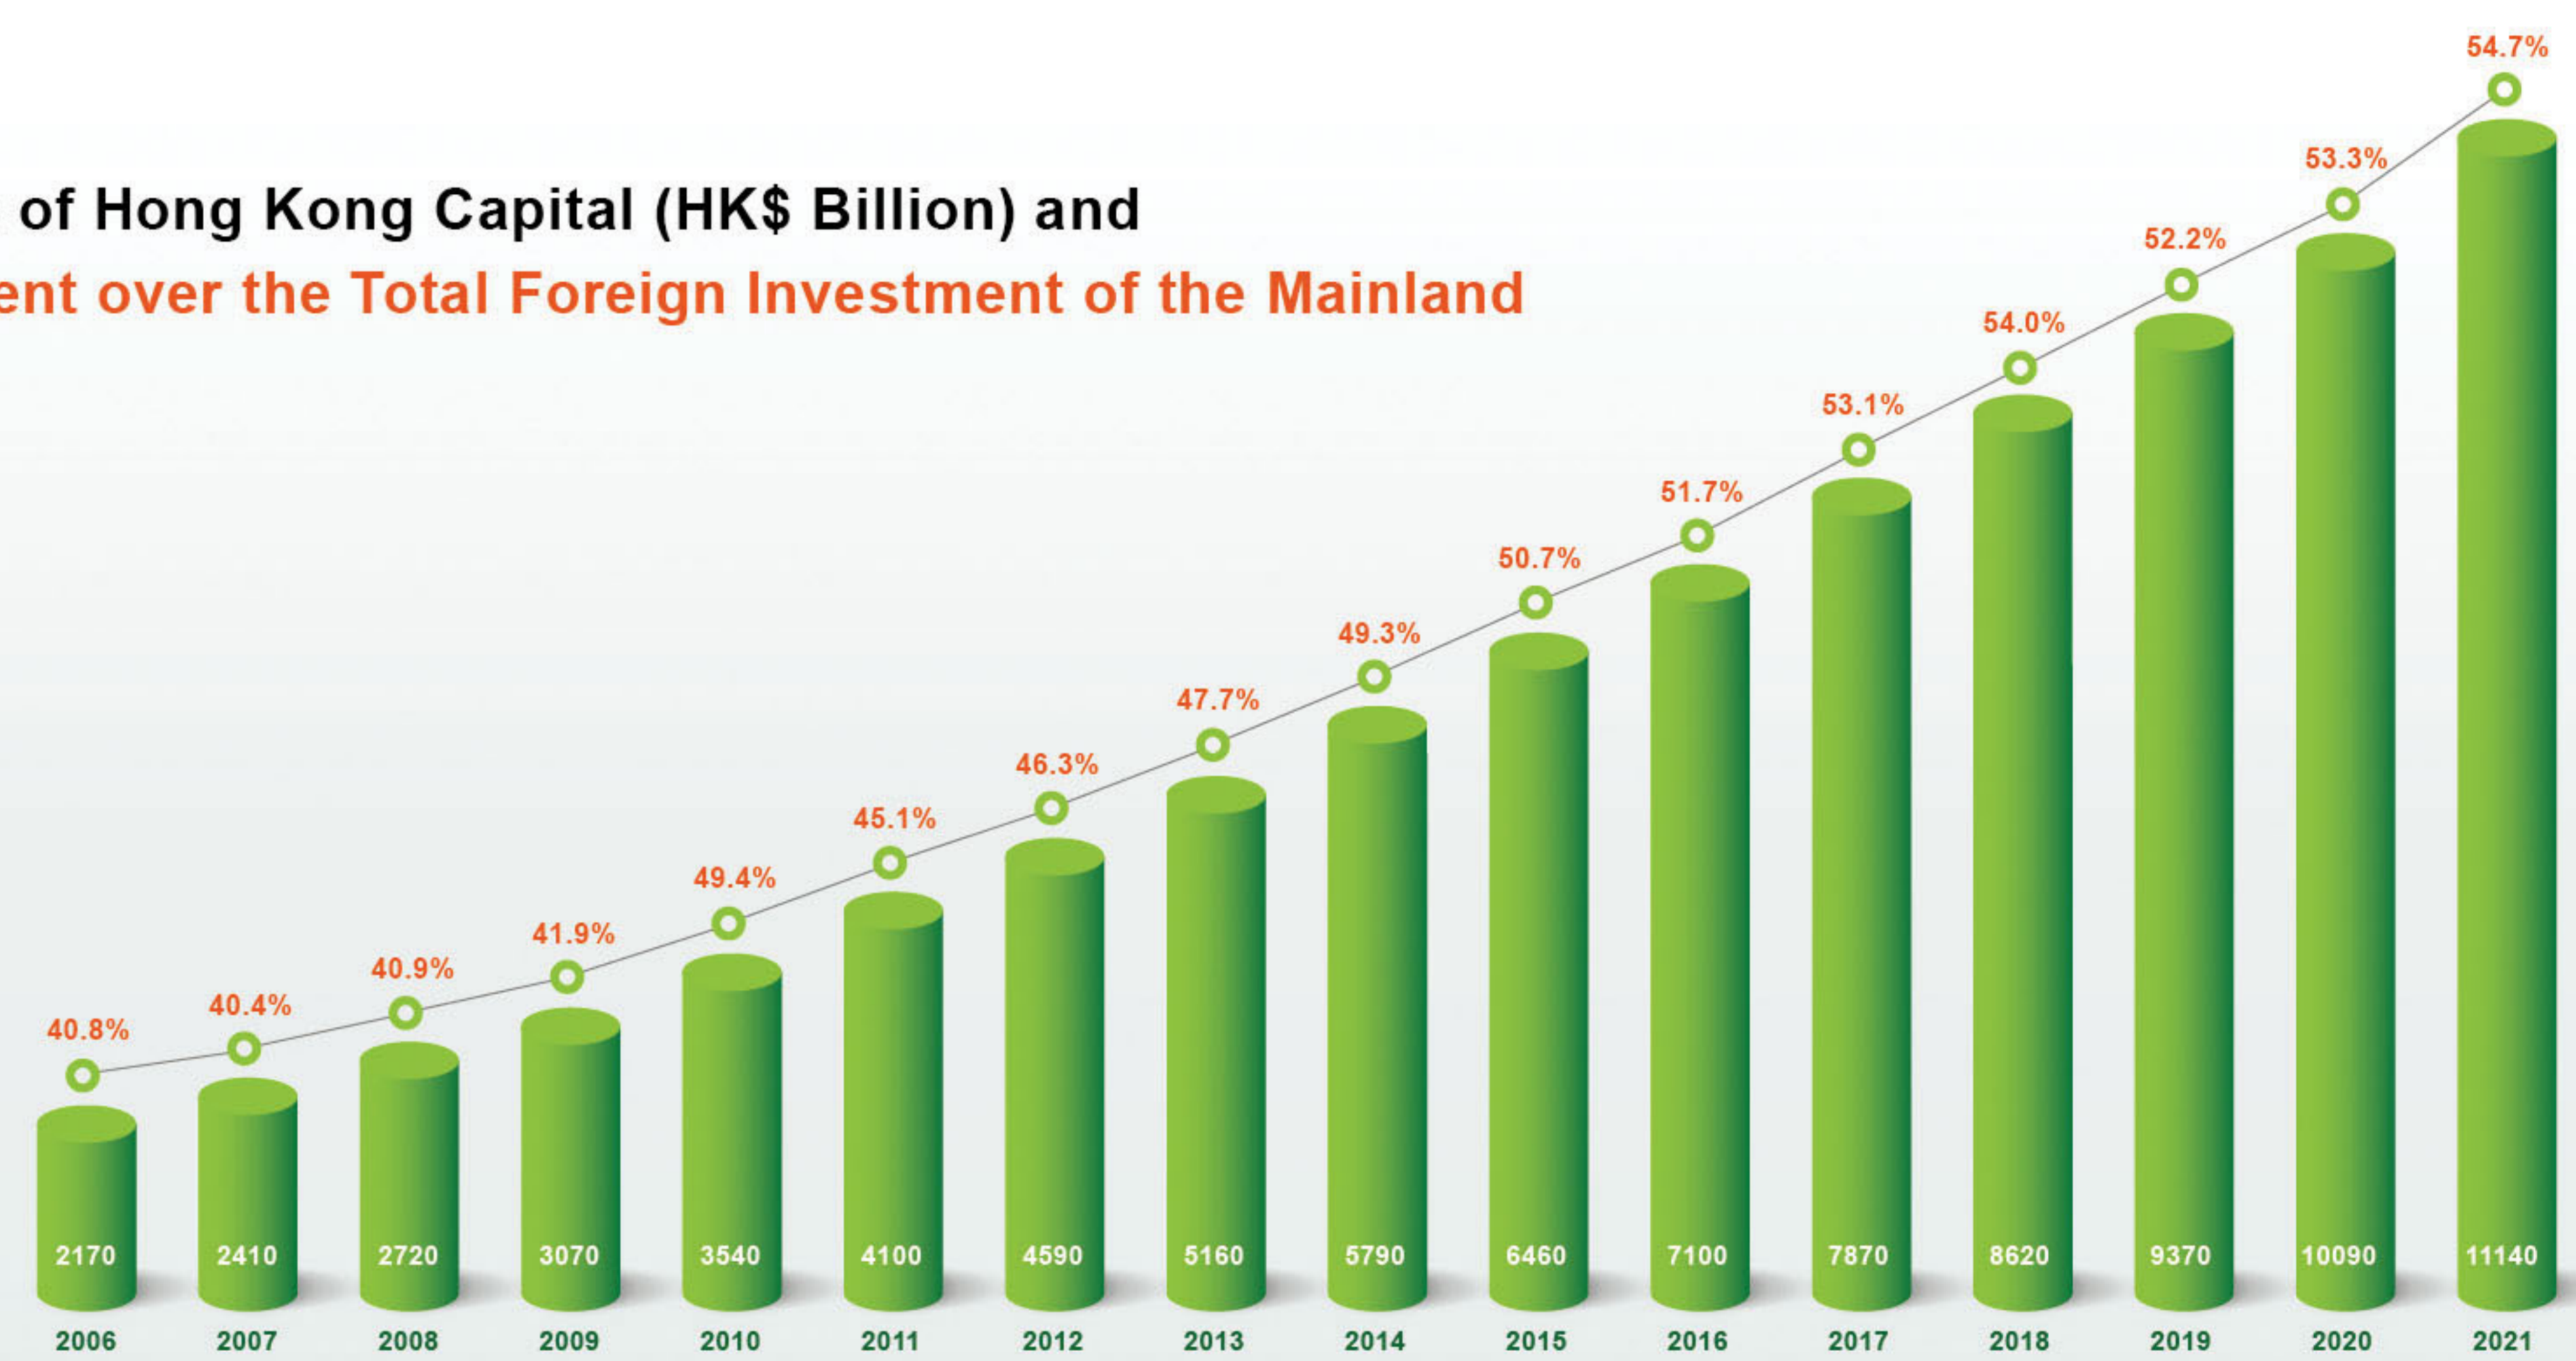

Facilitate Investment Reinforce Confidence

The Investment Agreement also contains the "Most-Favoured Treatment" provision which specifies that any preferential treatment the Mainland accords to investments and investors from other countries or regions, if more preferential than those under CEPA, will be extended to Hong Kong.

Mainland Accumulated Actual Use of Hong Kong Capital (HK\$ Billion) and Proportion of Hong Kong Investment over the Total Foreign Investment of the Mainland

Hong Kong is the Mainland's largest source of realised foreign direct investment, accounting for about 54.7% of the national total as at end December 2021, with the cumulative value reaching HK\$11,140 billion.

Hong Kong is the largest source of Foreign Direct Investment on the Mainland
